LEADER IN AUDIO COLLABORATION AND EMERGENCY RESPONSE SOLUTIONS FOR INDUSTRY, GOVERNMENT AND MILITARY

FOUNDED IN 1991

- Dr. T. Raj Natarajan
- Gayne Ek

3 DECADES OF SUCCESS

- Design Quality
- Product Value
- Customer Satisfaction
- 100,000+ ports in service Worldwide

BROAD AND INNOVATIVE PORTFOLIO

- Small to Medium Business-Conferencing
- Major Corporations/State/Local Government-Enterprise Conferencing & Collaboration
- Government/Emergency Response-Conferencing & Mass Notification
- Military & Civilian Aviation-Airport Incident Emergency Response
OUR VALUE PROPOSITION

COMMITMENT TO OUR CUSTOMERS
- Unmatched service & support - We listen & deliver

PRODUCT PERFORMANCE & RELIABILITY
- Best in class technologies & design practices

COMPREHENSIVE FEATURES
- Easy to use capabilities, continuously improved & based on real world feedback from our customers

ATTENTION TO DETAIL
- Before, during, & after the sales & installation process, we ensure every aspect of our customers needs are met

KEY INDUSTRY & PRODUCT SEGMENTS

• FORTUNE 500 ENTERPRISE
  • Banking/Finance/Insurance
  • High Technology/Manufacturing/Communications
  • State/Local Governments/Utilities

• SMALL-MEDIUM BUSINESS

• DEPARTMENT OF DEFENSE
  • J/TC Certified Conference System

• MILITARY & COMMERCIAL AIRFIELDS
  • Primary & Secondary Crash Alarm/Conference Systems
CONSORTIUM III CONFERENCE SERVER

- Conferencing & Collaboration
- Emergency Notification
- JITC Certification for Military Applications
